

Voluntary Action Center 33rd Annual Bakeless Bake Sale

Your support is an investment in your community!

Connecting people of all ages with service opportunities by promoting volunteerism to help meet community needs.

Our volunteers:

- Help the elderly remain in their homes longer by delivering Meals On Wheels.
- Give companionship to homebound individuals with Friendly Visiting.
- Provide transportation for people to medical appointments.
- Assist school children with improving their reading, writing and math skills.
- Work on intergenerational service learning projects teaching youth the importance and satisfaction of giving to others.
- Share their time and talents with 31 other non-profit organizations throughout Dickinson County.

Please consider making a tax deductible donation to strengthen volunteerism right here in Dickinson County. Federal funding has been cut, and we need your support now more than ever!
